

# FOR ALL STATION VISITORS:

## KISS & RIDE

---

## CELL PHONE WAITING AREA

The Kiss and Ride and the Cell Phone Waiting Area are located on the bus deck level and are now available for all station visitors!

In the interest of safety and traffic flow we ask that all passengers and their parties who are seeking to **pick up and/or drop off** within the station, please utilize the new Kiss and Ride and Cell Phone Waiting Areas. These lots are free for all patrons to use. Union Station Parking Garage (USPG) is asking that you limit your wait time to 20 minutes or less.

## **Directions:**

### From Outside the Station

To access these parking areas, customers can enter the garage on H Street, bearing right at the entrance and following the appropriate signs.

### From Inside the Station

To access these areas from within the station - customers can reach the Mezzanine level leading to the parking garage by using the spiral staircase in front of the Amtrak ticket counters; or the escalator in front of Gate D on the Amtrak concourse; or the elevator located in front of Gate E (across from the information desk) on the Amtrak concourse.
